ABBREVIATIONS & ACRONYMS

Aero - Aeronautical
AICUZ - Air Installation Compatible Use Zone (DoD)
Av Dev - FDOT Aviation Office Development Section
Av Ofc - FDOT Aviation Office (Tallahassee, FL)
Av Ops - FDOT Aviation Office Operations Section
Av Sys - Aviation System
CFASPP - Continuing Florida Aviation System Planning Process
CS - Commercial Service Airport
DEO - Department of Economic Opportunity
DoD - Department of Defense
EA - Environmental Assessment
EAA - Experimental Aircraft Association

EIS - Environmental Impact Statement
Expo - Exposition and Fly-in
FAA - Federal Aviation Administration
FAC - Florida Airports Council
FAD - Florida Aviation Database
FDLE - Florida Department of Law Enforcement
FDOT - Florida Department of Transportation
GA - General Aviation Airport
JACIP - Joint Automated Capital Improvement Program
Mgmt - Management
NASA - National Aeronautics and Space Administration
NASAO - National Association of State Aviation Officials

NextGen - Next Generation (Air Transportation System)
NGATS - Next Generation Air Transportation System
OPS - Other Personnel Services (Temporary Staff)
Part 139 - FAA Certified Air Carrier Airports
SEOC - State Emergency Operations Center
SIAPs - Standard Instrument Approaches
SIS - Strategic Intermodal System
TFRs - Temporary Flight Restrictions
Trng - Training
TSA - Transportation Security Administration
