Airport License

Orlando Sanford International Airport is licensed as a public use airport in the County of Seminole with an airport reference point of latitude 28° 46' 37.841"N and longitude 81° 14' 05.690" for the period commencing 6/1/2025 to 4/30/2026 in accordance with the provisions of Chapter 330, Florida Statutes (F.S.).

When inspected on 1/29/2025, this airport met state airport standards of safety for aeronautical use. This license is revocable if unsafe conditions develop or for other reasons stated in Chapter 330, F.S. or the rules and regulations adopted thereunder. This license shall in no way be interpreted as a warranty by the Department of Transportation of the continuing safety of the airport beyond the inspection date.

This certificate must be posted at all times at the airport to which it applies.

Issue Date: 5/6/2025
FAA Site No.: 03407.1*A
