Department of Transportation
Seaplane Base License

Jack Browns Seaplane Base is licensed as a public use airport in the County of Polk with an airport reference point of latitude 28° 3' 27.0"N and longitude 81° 45' 46.1" for the period commencing 11/1/2026 to 10/31/2027 in accordance with the provisions of Chapter 330, Florida Statutes (F.S.).

When inspected on 7/13/2026, this airport met state airport standards of safety for aeronautical use. This license is revocable if unsafe conditions develop or for other reasons stated in Chapter 330, F.S. or the rules and regulations adopted thereunder. This license shall in no way be interpreted as a warranty by the Department of Transportation of the continuing safety of the airport beyond the inspection date.

This certificate must be posted at all times at the airport to which it applies.

Issue Date: 7/20/2026
FAA Site No.: 03570.2*C
License Category: **Public**
