

The Florida Department of Transportation (FDOT) Aviation Office has launched the Aviation Economic Impact Study to measure the economic value of Florida airports to their communities and to the State. This survey is being sent to you on behalf of FDOT Aviation Office as part of this study. This survey will help FDOT Aviation Office gain an understanding of how general aviation passengers and pilots visiting Florida contribute to the state's economy.

Please take a few minutes to complete this survey and return it to Taylor Filaroski at Taylor.Filaroski@kimley-horn.com. Completed surveys can be scanned and emailed or can be mailed hard copy to Taylor Filaroski, Kimley-Horn, 2619 Centennial Boulevard, Suite 200, Tallahassee, FL 32308. If you would prefer to complete this survey online, please use the QR code provide or follow this link: SURVEY LINK

(Note: Responses will be aggregated and summarized, so no specific details about you will be reported.)
